

Dear Parents and/or Guardians,

Thank you for your patience and cooperation as we started our school year virtually. The purpose of this letter is to update you on our re-entry plan. This Friday, September 4th, it will be announced that our re-entry plan has been approved by the Milwaukee Health Department. Although this is great news, it brings many questions that need to be addressed by our administrative team. We are committed to providing the safest and healthiest environment possible as outlined in our re-entry plan. There are additional safety measures that need to be in place before allowing our students back into the building.

The administrative team will be meeting next week to assess our current PPE situation. Many of the items we ordered in June have been back ordered. We are hoping to have an anticipated start date with our K4 and K5 students on Thursday, September 17th and with our 1st and 2nd grade students on Friday, September 18th. These dates are tentative and we will confirm the start date with you.

In order for us to plan, please go to our website at <https://www.blessedsaviorcatholicschool.org> and fill out the survey on the virtual learning update section.

Blessings,
Mrs. Pope
Mrs. O'Donnell
Mrs. Radiske
