WELCOME Back 6th Graders

Today we welcomed our 6th grade students back in person! We are excited to continue moving forward safely with our re-entry plan. We are thankful that no COVID cases have been reported since November 2020. We attribute our success to our continued protocols and thank all staff, families and students for taking our protocols seriously.

Enrollment 2021-2022

Thank you to those parents who have already enrolled! A reminder that the portal will close on February 20th. All students who are returning will need to re-enroll online through the Milwaukee Parental Choice Portal in order to complete a new application. Call Ms. Kasten with any questions.

COVID:

A reminder that If you or your family are involved in high risk activities including but, not limited to: going out of state, attending gatherings of 10 or more people, going to the waterparks, etc. **We are going to ask you to have your child(ren) quarantine for 7-10 days depending on the high risk activity you participated in.**

Student Illnesses: Any in person students who are exhibiting the following symptoms should stay home until the symptoms are clear. Please also call the office to let us know that your child will be absent. In addition, if your child has to be home for any amount of time virtual learning will be expected to resume while your child is home. Symptoms include:

Inclement Weather:

During inclement weather, please be sure to watch Class Dojo, the news outlets, and school messenger for details. We will communicate our plans to all families between 5:30-6:30 a.m. As a reminder, we do look to see what the trends are with other area schools before deciding if a closure is to occur. When there is no in person learning, we will report virtually for instruction unless otherwise communicated.

Virtual Students:

Virtual student **MUST have their cameras on during the ENTIRE duration of online learning**. Please ensure that this occurs as it allows us to maximize engagement and learning.

Thanks, Mrs. Pope
